

Stroked Bézier wave — two cubic spans, zero tessellation

Filled blob — closed curves, control points overshoot the box

Dashed Bézier wave — dashed(6, 3) follows the curve

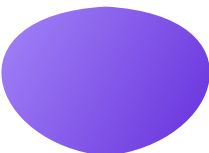

SVG path import — Material 'favorite' heart via SvgPath.parse

Whole-file icon — SvgIcon.read/parse stacks every layer

Gradient paints — strokePaint and fill ride native PDF shadings

Mixed ribbon — lines and curves in one closed, filled subpath
