LinkedIn

User-centered designer with 5+ years of experience crafting intuitive digital experiences for web and mobile products. I combine research, design thinking, and visual design to solve complex problems and deliver accessible, elegant solutions. Passionate about collaborating with cross-functional teams to create products that delight users and drive business impact.

SKILLS

UX RESEARCH
User interviews, surveys, personas, journey maps, competitive analysis

INFORMATION ARCHITECTURE
Sitemaps, user flows, card sorting, content strategy

WIREFRAMING
Low to high-fidelity wireframes, layout design, interaction flows

PROTOTYPING
Interactive prototypes, microinteractions, transitions

USABILITY TESTING
Test planning, usability tests, heuristic evaluation, insights & iteration

DESIGN SYSTEMS
Component libraries, design tokens, pattern documentation

TOOLS

Figma • FigJam • Adobe XD • Sketch • Miro • Notion • Jira • Slack • Maze • Hotjar • Airtable

EXPERIENCE

2022 - Present

Senior UX/UI Designer | NovaFin (FinTech Startup) — San Francisco, CA

- Led end-to-end design for a personal finance platform, from discovery to launch, improving task success rate by 32%.
- Conducted user research, built personas and journey maps, and translated insights into clear product opportunities.
- Designed wireframes, prototypes, and high-fidelity interfaces for web and mobile using Figma.
- Established and maintained a scalable design system, increasing design consistency and development speed.
- Collaborated with product managers, engineers, and data analysts in an agile environment.

2020 - 2022

UX Designer | BrightHealth (HealthTech) — San Francisco, CA

- Redesigned patient portal experience, reducing support tickets by 28% and improving user satisfaction.
- Planned and facilitated usability tests and synthesized findings to drive iterative improvements.
- Partnered with engineers to ensure feasible solutions and pixel-perfect implementation.
- Created reusable components and style guides to support a cohesive cross-platform experience.

2018 - 2020

Junior UX/UI Designer | Lumen Digital Agency — Austin, TX

- Supported discovery workshops, user flows, and wireframes for clients across e-commerce and SaaS.
- Designed responsive websites and landing pages following best practices in accessibility and usability.
- Collaborated with copywriters and developers to deliver high-quality, user-centered solutions.

SELECTED PROJECTS

NovaFin Mobile App | Personal Finance Management — 2023

Led UX/UI design for budgeting, goal tracking, and insights features. Conducted user interviews and usability tests that informed a simplified navigation and data visualization. Resulted in 32% improvement in task success rate and 22% increase in weekly active users.

BrightHealth Patient Portal | Healthcare Platform Redesign — 2021

Redesigned key patient flows including appointment scheduling, test results, and messaging. Created a new design system and component library used across web and mobile. Reduced support tickets by 28%.

EDUCATION

Bachelor of Fine Arts in Graphic Design
California College of the Arts
San Francisco, CA | 2014 - 2018
