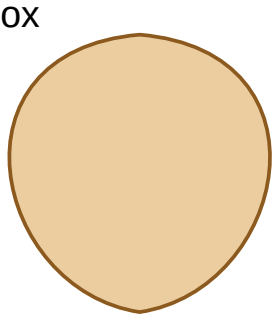
Stroked Bézier wave — two cubic spans, zero tessellation

Filled blob — closed curves, control points overshoot the box



Dashed Bézier wave — dashed(6, 3) follows the curve

Stroke caps & joins — butt, round, square (lineCap / lineJoin)

BUTT / MITER

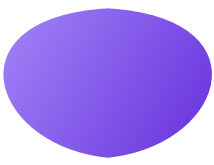
ROUND / ROUND

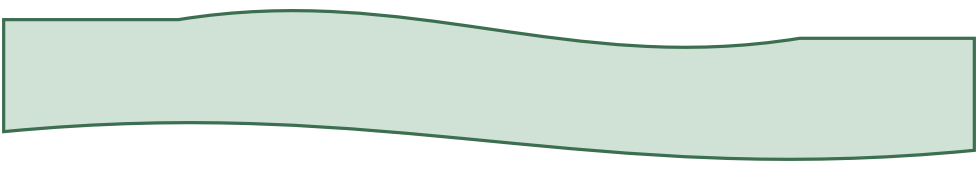
SQUARE / BEVEL

SVG path import — Material 'favorite' heart via SvgPath.parse

Whole-file icon — SvgIcon.read/parse stacks every layer

Gradient paints — strokePaint and fill ride native PDF shadings



SVG-path clip — content clipped to a heart silhouette (CLIP_PATH)


Mixed ribbon — lines and curves in one closed, filled subpath
