

# SOFIA MARTINEZ

## UX / UI DESIGNER

-  sofia.martinez.design@gmail.com
-  +1 (415) 555-7842
-  San Francisco, CA, USA
-  sofiamartinez.design
-  LinkedIn

User-centered designer with 5+ years of experience crafting intuitive digital experiences for web and mobile products. I combine research, design thinking, and visual design to solve complex problems and deliver accessible, elegant solutions. Passionate about collaborating with cross-functional teams to create products that delight users and drive business impact.

### DESIGN SKILLS

|                                                                                   |                                                                                   |                                                                                   |                                                                                   |                                                                                     |                                                                                     |
